A GREAT MUSIC EDUCATION TOOL!

LEARN MUSIC THE FUN AND EASY WAY.

One of the biggest difficulties in learning to play music is knowing which note to play.

Now, with these A-B-C Key Stickers from Sight & Sound, you'll always know which note is the right note. All you do is apply these small stickers to your keyboard and you're ready to begin playing music almost instantly!

For even more musical enjoyment, these stickers can be used with all Sight & Sound music books, including Speed Music™, Letter Music™ and Melody Chord™ arrrangements.

The four rows of stickers contained in this package cover the 28 keys found on many of today's portable electronic keyboards. For larger keyboards, merely add additional stickers as needed.
